**Ref:- Directorate of Industries letter no.-SWS/2504 Ranchi, dt.-09.11.2020**

Sir,

As directed, with regard to the reference letter of Directorate of Industries, it is informed that with respect to the District Bussiness Reform Action Plan (DBRAP) S. No.-25 to 29 and 30 to 37, Water Resources Department does not issue any NOC or permission for withdrawal of water from Ground Water Sources. So the portal for this purpose has not been developed by the department.

Water Resources Department is concerned with permission for water drawal from surface sources of Jharkhand for which a portal is already developed with all required features and integrated with Advantage Jharkhand Portal of department of Industries.

Yours Faithfully
